Sewing Machine

Features & Benefits

### Exclusive SEWING ADVISOR™

Select your type of fabric and sewing technique and the Exclusive SEWING ADVISOR feature instantly sets everything for you.

### Exclusive Accessory Kit

Exclusive Accessory Kit with five optional feet: Open Toe Foot; Edge Joining Foot; Invisible Zipper Foot; Adjustable 1/4-inch Foot; and Clear Piping Foot is included.

### Built-in Stitches and Fonts

Choose from 160 stitches up to 7mm wide and three built-in font styles for endless creative opportunities.

### Graphic Display

All of the information you need to sew is displayed on screen. View the stitch and any adjustments in real size before you sew.

### Perfectly Balanced Buttonholes

The Exclusive Sensor One-Step Buttonhole Foot automatically sews perfect one-step buttonholes every time. By sewing both sides of the buttonhole in the same direction, you will have truly balanced buttonholes.

### Start/Stop Function

Sew without the foot control for easy, consistent speed. Simply press Start/Stop to begin and to stop sewing. This is great for sewing rows of decorative stitches, quilting stitches and making buttonholes or for sewists with physical limitations.

# Tribute™ | 150C

## Large Sewing Surface

Large 8-inch (200mm) working area for bulky sewing projects.

## Needle Stop Up/Down

Set the needle to stop up or down in the fabric for pivoting, appliqué and more.

## Automatic Bobbin Thread Pick-Up

Never a need to bring up bobbin thread before beginning to sew.

## Designed and Engineered in Sweden

Limited Edition to celebrate the HUSQVARNA® VIKING® 150th Anniversary. The HUSQVARNA VIKING brand has engineered and manufactured superior quality sewing machines with cutting-edge technology for over 150 years.

## Built-in Needle Threader

Threads the needle instantly; makes threading easy and reduces eye strain.

## LED Lighting

Three LED lights illuminate the needle area and sewing surface to make sewing easy and reduce eye strain by reducing shadows while sewing. The LED lights also have a long-life expectancy with little to no light maintenance.

## Save to "My Stitches"

Save your personal stitch settings and programs in four permanent memories for quick and easy access.

## Mirror Side to Side

Flip decorative stitches side to side for even more creative possibilities.

## Bobbin Winds from the Needle

No need to rethread when winding your bobbin directly from the needle. Winding stops automatically when your bobbin is full.

## 29 Needle Positions

Move your stitch left or right for exact placement of your straight stitch with 29 different needle positions. Perfect for top stitching, edge stitching, under stitching, stitching-in-the-ditch or quilting.

## Extended Dual-Stitch-Plate Guidelines

For easy top stitching, hemming and utility sewing, sew from the left or the right of the needle – the stitch plate has extended guidelines to 15/8" (40mm) on both sides of the needle.

## Sew-On Button Program

Sewing on Buttons has never been easier.

## Twin-Needle Safety

Enter the size of the twin needle being used to automatically limit the stitch width and prevent needle from breaking.

## Stitch-Width Safety

The Stitch-Width Safety feature prevents needle breakage. It limits stitch width to center-needle straight stitch for using a straight-stitch foot.

## 12 Languages

For instant on-screen reference choose from 12 different languages including English, French, Italian, German and Spanish in the SET menu.
